

The logo for EUROFER, featuring the word "EUROFER" in a bold, black, sans-serif font. Below the text are three stylized, overlapping curved lines in red and black, suggesting a globe or a dynamic shape.

EUROFER

A close-up photograph of a large, orange-brown plastic pipe being installed in a deep, earthen trench. The pipe is the central focus, extending from the foreground into the background. The trench walls are made of dark, moist soil, and some green vegetation is visible in the upper right corner. The lighting is natural, highlighting the texture of the pipe and the soil.
